CARE FOR WORK ENVIRONMENTS®

scrub ender®

Cleans Washrooms Without Scrubbing

MULTI-FUNCTIONAL FORMULA

State Scrub Ender's® heavy-duty formula is designed to provide a scratch-free clean, making tiresome scrubbing a thing of the past. It works to penetrate and eliminate stains, scum and water deposits on washroom tiles, fixtures, counters, grout and metal surfaces. Best of all, it targets tough odors and replaces them with a fresh, peppermint scent.

DIRECTIONS FOR USE:

Spray Scrub Ender® onto soiled surface to be treated, saturating the surface thoroughly. Allow 15-20 seconds to penetrate then wipe clean with a damp sponge or cloth. Rinse cleaned surface with water. For best results, apply with State's foaming trigger sprayer.

NOTE: Product may etch older sinks and tubs. Do not use on aluminum, marble, polished stone or special colored grout. Avoid plastic and rubber surfaces. Test in an inconspicuous area before applying to larger spaces.

TECHNICAL DATA:

APPEARANCE: clear, colorless liquid

ODOR: peppermint

FLASHPOINT: >200°F (93°C)

SPECIFIC GRAVITY: approximately 1.08

DILUTION: use at full strength through a State foaming trigger sprayer

Please review the label and SDS on StateIndustrial.com for all product directions, precautions and first aid information.
